BEER

HOUSE BEER / 5

Our distiller, Mitchell Parr, spent many years brewing beer in La Crosse and then went on to brew for Lagunitas Brewing Company in Chicago. Our House Beer is made right here at the distillery and will change from time to time depending on what Mitchell feels like brewing. Usually this will be some kind of easy drinking ale. This beer is served directly from our brite tank to the tap at the bar, the freshest beer you can possibly drink!

GUEST TAP

We always have at least one guest tap of Wisconsin made beer available. Please ask your server for pricing and what's currently available.
